

**STATE OF MISSISSIPPI
DEPARTMENT OF AGRICULTURE AND COMMERCE**

ANDY GIPSON
COMMISSIONER

**Re: Application for Registration and License
Animal and Poultry By-Products Disposal**

Section 41-51-13 states as follows:

It shall be the duty of every person operating a disposal plant or rendering plant to apply to the commissioner for a license to operate such establishment, and no person shall engage in this state in the business of operating such a disposal plant or rendering plant without first having obtained for each such disposal plant so operated by him, or in his behalf, a license pursuant to this chapter.

Said commissioner shall keep a record of all applications for licenses, showing all issued, denied or revoked by him and such other facts as he may prescribe. The application for a license shall be made on a form to be supplied by the commissioner and shall show the location of each establishment and the name and address of the owner and the name and address of the lessor or lessee. Such application shall also set forth the particular method or methods which the applicant intends to employ, or is employing, in the transportation and in the disposal or processing of poultry by-products or the bodies of such dead animals; the number and location of all substations he desires to operate, if any; the number and kind of vehicles he will use; and such other essential information thereto as the commissioner, by his rules and regulations, may require.

The application shall have attached thereto the affidavit of the person applying for the licensing that the facts set forth therein are true and correct.

Such application shall be accompanied by an initial fee of fifty dollars (\$50.00) for each disposal plant or rendering plant, five dollars (\$5.00) for each substation operated in conjunction therewith, and five dollars (\$5.00) for each vehicle unit used in transportation of the poultry by-products, bodies of dead animals and products of said rendering operation. Like fees shall be paid to the commissioner annually for each renewal thereof. All fees collected under the provisions of this chapter shall be deposited in the general fund in the state treasury.
