## 54th Annual Dixie National Livestock Show and Rodeo It's GENUINELY MS

By Donna West  
Division Director  
Market Development – MDAC

February has arrived and is barreling down I-55, so jump on board, move over, or follow the convoy because it's transporting a most treasured cargo...the 54th annual Dixie National Livestock Show and Rodeo; a true GENUINE MS event!

Through the course of several weeks each year the Mississippi State Fairgrounds comes alive with cowgirls and cowboys, equestrians, livestock and bucking broncos, rodeo queens, food vendors, merchants and RVs. As the mile-long midway

morphs into the most interesting Main Street in the south, its surroundings become a virtual village; a community where visitors are received warmly and lasting friendships are made.

"For 54 years, the Dixie National Livestock Show and Rodeo has continued to grow and prosper, while continuing the tradition of amazing competition, exceptional entertainment and fascinating exhibits," Commissioner of Agriculture and Commerce Andy Gipson said. "Because Dixie National offers so much to so many people, it has become more than a place to come and enjoy, it's an overall experience that will be remembered for a lifetime."

Dixie National kicks off on February 2 and runs through February 17. A complete schedule can be found on pages 14 and 15.

One of the most time-honored gatherings each year is the Junior

Livestock Show, the largest in the state and the showcase of the livestock industry in Mississippi. Mississippi's 4-H and FFA members exhibit their beef cattle, hogs, sheep, and dairy cattle for the coveted award of "Grand Champion." This year the 50th annual Sale of Champions is scheduled for Thursday, February 7 at 11:30 a.m. in the Trade Mart.

The Dixie National Rodeo, always so much fun and full of excitement, begins Thursday, February 7 and continues through Wednesday, February 13. The best of Smith, Harper, and Morgan rodeo stock will be on display as cowboys and cowgirls compete for the ultimate gold buckle. Special entertainers, which follow the rodeo each evening, include Easton Corbin, Morgan Wallen, Shenandoah, John Anderson, Dylan Scott, Cody Johnson and Scott McCreery. Other events include the Dixie National Farm Expo and

The Dixie National Parade gets underway at 10:30 a.m. on Saturday, February 9, with best viewing on High and North West Streets around the State Capitol.

Antique Tractor Show; the Dixie National Rodeo Dance; Intercollegiate Beef Judging Contest; Farriers Competition; MQHA Equine Expo, as well as a host of other livestock shows, expos and competitions. Don't miss the always striking horse shows, beginning February 2 through February 15. And, if you are looking for something good to eat that is hot and free, stop by the Mississippi Farmers Market on February 10 for the Dixie National Rodeo Breakfast. You will enjoy pancakes with all of the fixings from 8:00 a.m. until 10:30 a.m. The eternally entertaining Dixie National Parade gets underway at 10:30 a.m. on Saturday, February 9, with best viewing on High and North West Streets around the State Capitol.

This year's theme is GENUINE MS, which simply encourages everyone to explore our Mississippi and the many wonderful people, products and companies who make up our great state!

\*\*\*\*\*

### Chuck Wagon Casserole

1 pound ground beef  
1 15.5-ounce can chili beans in sauce  
1 11-ounce can Mexican style corn  
3/4 cup BBQ sauce  
1 8.5-ounce package corn muffin mix  
1/2 cup chopped onion  
1/2 cup chopped green bell pepper  
1/2 teaspoon salt

Heat Dutch oven to 350 degrees for frying. Brown ground beef, onions and peppers in the Dutch oven. Add chili beans, BBQ sauce and salt; bring to a boil. Drain corn. Prepare corn muffin mix according to package directions; add corn and mix well. Pour corn muffin mixture into Dutch oven, spreading it over the meat mixture. Close Dutch oven and stew for 30 minutes or until inserted knife pulls out clean.

### Breakfast Sandwiches

Non-stick vegetable spray  
1 English muffin  
2 slices Canadian bacon  
2 slices cheese  
2 eggs  
Butter  
Salt and pepper  
Aluminum foil

Spray non-stick on each sheet of aluminum foil. Make a tight basket or pocket out of the foil, so it will not leak. For each sandwich, lay the muffin in the foil, open face. Butter the muffin, and place the Canadian bacon and cheese on each side of the muffin. Crack the eggs over the muffins. Salt and pepper eggs to taste. Close or continue to fold the aluminum into a tightly sealed pocket and cook until done.

### Pineapple Rings

1 can pineapple slices (in syrup or juice)  
Marshmallows  
Sticks for skewers

Skewer the pineapple slices, working a marshmallow into the center hole. Toast over a low fire or on a grill until the pineapple gets hot and the marshmallow gets as brown as you like it.

### Campfire Pizza

1 package large pita bread  
1 can pizza sauce  
3 slices salami  
2 slices bacon, cut into small pieces  
1 package shredded mozzarella cheese  
Sliced vegetables (onions, peppers, mushrooms, zucchini)

Spread pitas with sauce and sprinkle cheese on top. Place meat and vegetables on top; place on aluminum foil over campfire grill, making sure the flame is not too high. Barbeque for about 10 minutes or until cheese is melted and bacon is cooked through.

### Campfire Chicken

Split chicken breasts  
Red potatoes, cut in half  
Carrots, cut in half  
Onion, cut in half  
Plum tomatoes, cut in half  
Italian dressing or other seasonings

Place all ingredients together into one large foil sheet and make into a pocket, or you can make individual foil packets for each person. Bake in the oven or over a campfire for about an hour. If over the fire, turn the foil packets frequently. You can also add a small piece of corn on the cob, if desired.

### Walking Tacos

1 pound hamburger meat  
1 package taco seasoning  
1 small onion, chopped  
Chopped lettuce  
Shredded cheese  
Black olives, sliced  
Chopped tomato  
Sour cream or dressing of your choice  
Salsa  
1-ounce bags of Doritos

Brown hamburger and onion, drain. Add taco seasoning and mix well. Let the mixture simmer until taco seasoning is absorbed. Take the Dorito bag and press together smashing the chips. Turn the bag on its side and cut the top off with a pair of scissors. Add the hamburger meat mixture along with all or any of the toppings you desire. Take a plastic fork and enjoy straight from the bag.

## Taylor McNair of Mississippi Brings Home Miss Rodeo America Crown

## Pesticide Applicator Certification Required for Dicamba Training

By Keri Collins Lewis  
MSU Extension Service

An additional certification requirement from the U.S. Environmental Protection Agency is now in place for individuals who plan to apply dicamba in Xtend cropping systems.

Individuals working under the direct supervision of a certified applicator may no longer make applications of legal dicamba products during the growing season.

Agricultural professionals must secure a commercial or private pesticide applicator certification and take the additional applicator training required for application of approved dicamba herbicide products in Xtend cropping systems.

The Mississippi State University Extension Service will offer an increased number of training opportunities around the state to help Mississippians comply with this new requirement.

Darrin Dodds, Extension cotton specialist, said the purpose of the requirement is to increase the safe and effective use of these herbicides that are being used more commonly each year since their introduction.

"These products have seen increased usage over the past two growing seasons, but this has not come without setbacks, including off-target movement onto susceptible plant species," Dodds said. "The

goal of these training programs is to educate those who purchase and apply these products about proper application procedures and reduce the number of off-target damage incidents. Education is critical to ensuring these products remain within the bounds of where they are applied."

The online mandatory training modules are being revised to reflect new federal EPA guidelines. The modules will be available at <http://www.auxintraining.com> as soon as they are complete.

Face-to-face training workshops are being planned for additional opportunities to access the online auxin training information.

For dates and locations for the pesticide applicator training, go to <http://extension.msstate.edu/calendar>, or contact your local Extension office.

This is a joint effort of Extension, the Mississippi Bureau of Plant Industry, and Mississippi Department of Agriculture and Commerce.

## Dixie National Junior Round-Up Livestock Shows

By MSU Extension Service

Every year, for one week in early February, youth who raise livestock and participate in the 4-H & FFA livestock programs in Mississippi head to Jackson for the annual Dixie National Junior Round-Up Livestock Shows. These youth bring show entries from their junior livestock projects to compete for champions of their individual categories.

The Dixie National is the showcase for the 4-H & FFA livestock programs and livestock industry; it is also the site of the largest junior market livestock shows in Mississippi. The Champion and Reserve Champion of the Junior Steer Show, Junior Market Lamb Show, Junior Market Swine Show, Junior Market Goat Show, and Overall Champion Mississippi Bred steer, lamb, and hog are singled out for a special tribute at the Dixie National. The exhibitors purchased many of these animals last spring, and these young exhibi-

tors with champions have worked long and hard to raise their outstanding animals.

First, boys and girls exhibit their animals at one of the five district shows within the State. If they receive a blue ribbon on their animal at the district show, they can then participate in the Dixie National. There were over 1,600 market ani-

mals at the five district shows and over 1,100 ended up at the Dixie National Junior Round-Up, from which the champions were selected. These champion animals were sold to the highest bidder at the Sale of Junior Champions auction.

For more information on showing livestock contact your local Extension Service.
