## Spring into the Season at the Garden Extravaganza in Jackson

By Haley Barrett  
Mississippi Nursery &  
Landscape Association, Inc

Join us for the 22nd Annual Garden Extravaganza in Jackson, March 15, 16 and 17 at the Mississippi Trade Mart. The Mississippi Nursery Landscape Association (MNLA) is excited to bring so many vendors together in one central location for all of your garden and patio needs - flowers, trees, landscape professionals, garden accessories, yard art, ironwork, pottery and much, much more. Admission is only \$6 per person, children 15 and under get in free and as always, the parking is free.

We are excited to welcome back the very talented Catherine Strange. She will show you just how easy it

is to create floral arrangements using what you have in your home and garden. Spending some time with her will give you the inspiration and ability to make your next get-together visually stunning.

Don't miss our exciting 'how to' demonstrations and seminars going on all three days. Dr. Geoff Denny, crowd favorite and director of the Mississippi State Trial Garden, is back again. He has invited you to have a conversation with The Southern Gardener, Dr. Gary Bachman, host of TV's *Southern Gardening*. They are joined by MSU Plant Doctor, Dr. Alan Henn, who makes it easy to figure out what's wrong with your yard. This year's special guest is Louisiana's Dr. Allen Owings, from the American Rose Society and Bracy's Nursery, to help you get the most out of your roses.

The Garden Extravaganza is a family friendly event. Our Children's Area will have 'make and take' activities to teach kids fun gardening skills. MSU Extension, Ball Seed

Company and BWI Companies have teamed up with MNLA to sponsor this area.

Is your grass looking less than green? Is there a fungus among us? Do you have mysterious weeds? As always, the experts from Mississippi State University Extension will be there to answer all of your plant and gardening questions, offer help and

test soil for free.

Of course the real stars of the show are always the flowers. You'll find this year's Mississippi Medallion Award Winners, succulents, ferns, trees, shrubs, roses, bedding plants, vegetables, herbs and so much more. Many of the garden centers will have dish gardens, beautiful hanging baskets and gorgeous mixed contain-

ers that are ready to brighten your porch for the spring.

Not sure which plants that you need? There will be plenty of people that can help you with that. There will be numerous garden center employees, landscapers and MSU experts on hand to answer questions. Make sure you bring pictures of the area or container you are buying plants for; you will also want to know the amount of sunlight and shade it receives.....these are very important things to know when shopping for plants.

While at the show be sure and register for fabulous door prizes donated from our wonderful exhibitors.

For more information and a chance to win tickets, follow us on Facebook @ Garden Extravaganza - Mississippi Garden & Patio Shows. The Garden Extravaganza is hosted by the Mississippi Nursery & Landscape Association and sponsored in part by Miss 103, Regions Bank and Visit Jackson.

## From Our Kitchen To Yours

### Sensational Spring Salads

\*\*\*\*\*

#### Sweet Southern Egg Salad

3 tablespoons nonfat plain yogurt  
3 tablespoons low-fat mayonnaise  
2 teaspoons mustard  
1/4 teaspoon freshly ground pepper  
1/8 teaspoon salt  
8 hard-boiled eggs  
1/2 cup thinly sliced celery  
1/4 cup chopped sweet gherkin pickles  
3 tablespoons chopped sweet onion

Combine yogurt, mayonnaise, mustard, pepper and salt in a medium bowl. Halve eggs and discard four of the yolks (or save for another use). Add whites and the remaining four egg yolks to the bowl and mash to desired consistency. Gently stir in celery, gherkins and onion. Cover and refrigerate for up to two days.

#### Sesame-Ginger Chicken Salad

4 cups chopped romaine lettuce  
3 ounces shredded cooked chicken breast  
1/2 cup fresh spinach  
1/4 cup shredded carrot  
1/4 cup sliced radishes  
1 scallion, sliced  
3 tablespoons prepared sesame-ginger dressing

Combine lettuce, chicken, spinach, carrot, radishes and scallion in a medium bowl. Add dressing and toss to coat.

#### Cauliflower, Green Pea and New Potato Salad

1 pound tiny new potatoes, halved and/or quartered  
1/2 cup fresh peas  
3 tablespoons white wine vinegar  
2 teaspoon sugar  
1/2 teaspoon Dijon-style mustard  
1/4 teaspoon salt  
1/4 teaspoon black pepper  
2 tablespoons olive oil  
3 cups small purple, orange, or regular white cauliflower florets  
1/2 cup chopped onion  
6 slices lower-sodium, less-fat bacon, crisp-cooked and coarsely crumbled  
2 tablespoons pine nuts, toasted  
1 tablespoon snipped fresh parsley

In a large saucepan bring enough water to cover potatoes to a boil; top with lid and continue boiling for 12 to 15 minutes or just until tender. Add peas to the potatoes the last two to three minutes of cooking; drain. Meanwhile, in a small bowl, whisk together the white wine vinegar, sugar, mustard, salt and pepper. In a large skillet heat oil over medium heat. Add cauliflower and onion; cook five to eight minutes or until cauliflower is browned and crisp-tender, stirring occasionally. Stir in vinegar mixture and bacon. Gently stir in potatoes; heat through. To serve, top with pine nuts and parsley.

#### Pineapple and Avocado Salad

1/4 cup thinly sliced red onion, separated into rings  
Ice water  
2 firm ripe avocados  
1 medium fresh pineapple  
3 tablespoons extra-virgin olive oil  
1 tablespoon fresh lime juice  
1/2 teaspoon kosher salt  
Freshly ground pepper to taste (optional)

Soak onion rings in a small bowl of ice water for 15 minutes to mellow the bite. Meanwhile, halve avocados and cut each half into slices. Peel pineapple, halve lengthwise into quarters, remove the core and cut each quarter crosswise into slices. Whisk oil and lime juice in a small bowl. Drain the onion and pat dry. Arrange half the avocado, pineapple and onion on a serving plate, sprinkle with 1/4 teaspoon salt and drizzle with half the dressing; repeat the layers. Garnish with pepper, if desired.

#### Citrus-Arugula Salad

2 small tangerines, peeled and sliced  
1 medium blood orange, peeled and sliced  
3 cups packed baby arugula  
2 tablespoons lime juice  
2 tablespoons extra-virgin olive oil  
1 tablespoon chopped fresh tarragon  
2 teaspoons finely chopped jalapeno  
1/4 teaspoon salt  
1 chopped avocado

Combine tangerines, orange, arugula, lime juice, olive oil, tarragon, jalapeno and salt in a medium bowl. Gently stir in avocado.

#### Tuscan-Style Tuna Salad

2 6-ounce cans chunk light tuna, drained  
1 15-ounce can small white beans, such as cannellini or great northern, rinsed  
10 cherry tomatoes, quartered  
4 scallions, trimmed & sliced  
2 tablespoons extra-virgin olive oil  
2 tablespoons lemon juice  
1/4 teaspoon salt  
Freshly ground pepper, to taste

Combine tuna, beans, tomatoes, scallions, oil, lemon juice, salt and pepper in a medium bowl. Stir gently. Refrigerate until ready to serve.

## Metro Master Gardeners' Annual Plant Sale Apr. 27

By Laura Lillard  
 Metro Master Gardener

The Metro Master Gardeners will hold their annual plant sale at Mynelle Gardens (4736 Clinton Boulevard, Jackson, MS 39209) on Saturday, April 27, 2019. The plant sale begins at 8:00 a.m. and will end at noon.

Members of the Metro Master Gardeners come from all over the Jackson metropolitan area. The Master Gardeners have propagated a wide variety of native and naturalized heirloom plants, perennials, shrubs and trees that are perfectly suited to our southern soils and climate. Many of these heirloom plants have come from project and demonstration gardens located throughout the metro Jackson area. Shoppers will find a wide variety of plants at unbeatable prices!

Master Gardeners are a volunteer branch of the Mississippi State University Extension Service that advises and educates the public on gardening and horticulture issues. Members of the Metro Master Gardeners will be on hand at the plant sale to answer gardening questions.

After finalizing their plant purchases, shoppers are invited to enjoy

a free stroll through Mynelle Gardens.

Proceeds from the plant sale go to support gardening projects located at Mynelle Gardens, the Doctor's Herb Garden at the Agriculture & Forestry Museum, the Oaks Home on Jefferson Street, Greenwood Cemetery, the Jackson Zoo, and various demonstration, educational and scholarship projects in the metro Jackson area.

If you need additional information, would like to schedule an interview with Master Gardeners, or capture them in action at Mynelle Gardens, please contact Laura Lillard at 601-613-5223 or [sadi-ecat17@comcast.net](mailto:sadi-ecat17@comcast.net). "Like" Metro Master Gardeners on Facebook.

## MDAC Accepting Applications for School Garden Grant Program

By Paige Manning  
 Director of Marketing and  
 Public Relations - MDAC

Commissioner of Agriculture and Commerce Andy Gipson announced that the Mississippi Department of Agriculture and Commerce is accepting applications for *Growing Lunch*, a school garden grant program, for the 2019-2020 school year.

"*Growing Lunch* is a great interactive and educational tool for teachers to incorporate agriculture and healthy eating into their everyday classroom," said Commissioner Gipson. "School gardens provide a unique opportunity for students to learn where their food comes from, while they gain valuable life skills."

Eligible schools can receive a grant of up to \$500 to purchase supplies needed to develop a school gar-

den or to further enhance an existing school garden. All schools, K-12 and pre-schools that provide appropriate documentation, located in the State of Mississippi are eligible to apply.

Funds from this school garden grant program are issued on a first-come, first-serve basis. Only one grant can be awarded per school. Schools that have received a *Growing Lunch* grant from MDAC in the past are not eligible to apply for additional funds at this time.

This project is funded through the Specialty Crop Block Grant Program through the United States Department of Agriculture. For more information about the program or to view the application, visit [www.mdac.ms.gov](http://www.mdac.ms.gov) or contact Susan Lawrence at 601-359-1196 or [susan@mdac.ms.gov](mailto:susan@mdac.ms.gov).

### Checklist for Cleaning and Disinfecting Poultry Enclosures

Keeping poultry houses, coops, and other enclosures clean is one of the best ways to prevent germs from spreading among poultry flocks. A thorough cleaning, and then applying disinfectant, takes time. But the process is vital to stop disease spread and keep our flocks healthy.

If you see or suspect anything unusual, call your flock supervisor, veterinarian, or cooperative extension office right away. Use this form to record phone numbers for contacts in your area. The earlier you act, the easier it is to contain the disease to a single flock.

Check the list on the back for tips to help keep your flocks healthy.

# Choose Excellent Sweetie Pie Blackberry for Mississippi

By Dr. Gary R. Bachman  
MSU Extension Service

In this article, I want to spend our time considering the last of the 2019 Mississippi Medallion selections, Sweetie Pie blackberry.

When I first moved to the South in the late 1970s, we lived in a rural area of upstate South Carolina. I remember how one of my favorite things to do in the summer was pick the wild blackberries that seemed to grow everywhere.

You see, I grew up agriculture-deficient in the suburbs of Detroit, and picking wild blackberries was just not an option there. Besides enjoying the fresh-picked fruit, I also learned more than I wanted to about thorns, poison ivy, ticks, chiggers and the occasional snake that would scare the heebie-jeebies out of me.

So, I've come to appreciate homeowners who want to grow this delicious fruit -- especially the thornless selections -- in the relative safety and convenience of their own gardens.

Sweetie Pie blackberry was bred by the USDA in Poplarville, Mississippi, so it tolerates heat very well. This thornless plant has a vigorous growth habit, which is reflected in its copious production of large, very sweet fruit.

Sweetie Pie is an excellent choice for homeowners who wish to grow their own fruit and for you-pick operations and farmer's markets. Like most blackberry plants, Sweetie Pie has a perennial root system but biennial canes, meaning they fruit only on the second year's growth. Peak fruit production starts to occur in year three.

Sweetie Pie has its ripening season in the middle of or late in the blackberry-growing period, which for most of Mississippi is mid- to late June.

In addition to its excellent fruit quality, Sweetie Pie is resistant to double blossom. Also called rosette, this is a condition caused by fungus

that is problematic of some blackberry cultivars.

Blackberries are among the easier fruiting plants to grow. Here are some tips for success with all blackberry selections grown in Mississippi. Remember, good management reduces overall plant stress and keeps the plants productive.

Set blackberry plants in the ground 3 to 5 feet apart in an area that receives full sunlight. February and March are good planting times, so if you've ever wanted a blackberry, plant one or two now.

Raised beds with consistent irrigation produce the best results. Another option is to grow them in large containers.

Blackberries are self-fertile, so there is no need to plant multiple cultivars unless desired. Bees are the primary pollinators, so encourage

their activity as much as possible.

Supply fertilizer and irrigation to substantially enhance the amount and quality of fruit. Be sure to soil test at least every three years. Make sure you follow fertilization recommendations, and keep soil nutrients in the optimal ranges.

Usually, a cultivar bears fruit for two to four weeks. Blackberries need to be harvested when fully ripe, since they do not ripen after harvest. Refrigerate berries as soon as possible after harvest, and do not let harvested fruit sit in the sun. The fruit is best when consumed immediately or frozen, as it will not store fresh for long periods.

Sweetie Pie's availability will be limited, but don't let that stop you from growing blackberries this year. Other good thornless selections for Mississippi include Arapaho, Navaho, Ouachita and Natchez.

# Mississippi Farmers Market Hosts Celebration for National Ag Week

By Britney N. Mack  
Marketing & Communications  
Specialist - MDAC

The Mississippi Farmers Market will open its doors with a secondary agenda on Saturday, March 16, 2019. As usual on Saturdays, the market will be open to primarily sell local goods produced, raised, made, or crafted here in Mississippi. On this particular Saturday, however, vendors, shoppers, and attendees will have the opportunity to participate in family-friendly activities to support National Agriculture Week, also commonly referred to as National Ag Week. This event will honor agriculturists who have made a tremendous impact in our state.

"I look forward to having everyone come together at the Market for this event. We will have different ways for everyone to acknowledge and say thanks to those who provide so much to our state through agriculture. Agriculture really is the heart of almost everything we use on a daily basis—from the food on our table to the shirts on our backs," explains Mississippi Farmers Market Manager Robby Sullivan.

The Mississippi Farmers Market is located adjacent to the state fairgrounds at 929 High St, Jackson, MS 39202. There is free parking on the premises. During this season, the Market is open every Saturday from 8:00 a.m. until 1:00 p.m. This particular week, Ag Week activities will take place between 9 a.m. and 12 p.m. Attendees can expect demonstrations on how to plant a

garden, interactives games, and fun activities to personally thank a local farmer.

## About National Ag Week

Non-profit organization Agriculture Council of America (ACA) established the National Agriculture Day Program in 1973. The purpose of this annual campaign is to promote a nationwide effort to show appreciation and bring awareness to the contributions made by producers and those who play a major role in strengthening agricultural communities. Various organizations across the country offer programs and promotional toolkits to educate others on agricultural topics during this week. This year marks the 46th year of the campaign, which will run from Sunday, March 10 - Saturday, March 16. National Ag Day is Tuesday, March 14, during National Ag Week. This year's theme is "Agriculture: Food for Life."
