Celebrating 160 Years of Tradition

By Hannah East Marketing Specialist Market Development - MDAC

The sweet aroma of freshly-made funnel cakes and warm biscuits coupled with the taste of ice cold lemonade brings only one thing to mind. Fair season.

The 2019 Mississippi State Fair, located in Jackson, Mississippi, will be celebrating 160 years of tradition. Starting as a small gathering to show livestock in the early 1800s, the Mississippi State Fair has grown to encompass over 100 acres dedicated to carnival rides, art exhibits, concession stands, concerts and especially... livestock shows.

These legendary livestock shows continue to draw crowds of people from all walks of life. Every year, 4-H

Commissioner Andy Gipson welcomed fairgoers last year from the tailgate of his 1967 Chevrolet truck. The Mississippi State Fair runs Wednesday, October 2 through Monday, October 14, as daily entertainment and activities take place in the Trade Mart, the Kirk Fordice Equine Center, and all along the 105 acres of the Mississippi Fairgrounds Complex in Jackson.

and FFA students from across the state travel to Jackson to participate in the junior livestock shows. Likewise, the fair's petting zoo, famed pig races and dairy contests consistently bring in vast spectators. As Mississippi's number one industry, agriculture plays a major role in the structure of the state fair.

Another major aspect of Mississippi's culture and state fair is, of course, the food. Over 85 food and beverage vendors will be stationed along the mile-long Midway. From chicken-on-a-stick to fried Oreos, fairgoers will have the best refreshments Southern cuisine has to offer. As always, the Mississippi Department of Agriculture and Commerce (MDAC) will provide homemade biscuits to the public at the Biscuit Booth near the kid zone. Fairgoers can drop by anytime between 5:00 p.m. and 7:00 p.m. to meet their Commissioner of Agriculture and Commerce, Andy Gipson.

The Mississippi State Fair is the perfect blend of longstanding traditions and new, entertaining events. This year, the fairgrounds will boast

of several unique additions including the return of the horse and mule pull, a first-ever pony pull, an ice dome and a pumpkin contest.

"I'm very excited about the new attractions that will be at this year's fair," said chairman of the Mississippi Fair Commission and Agriculture Commissioner Andy Gipson. "In addition to the renowned livestock shows we have every year, fairgoers will have even more opportunities to enjoy wholesome, family fun."

The Ice Dome is an indoor ice skating rink that features 8,000 square feet of real ice inside the Mississippi Coliseum. It's the ideal place to cool off throughout the 13 days of the fair. Fairgoers can now experience all-day skating with a \$10 skate rental fee.

"The first time I brought an ice rink to Mississippi was at 'Christmas on Ice' in Madison," said Executive Director of the Mississippi Fair Commission Steve Hutton. "We had over 100,000 visitors our first year, and that pales in comparison to the annual crowds that attend the state fair. We are excited to see Mississip-

pians on Ice again!"

Another new attraction that will accompany this year's fair is the horse, mule and pony pull. This event will begin at 11:00 a.m. on Saturday, October 5, with the horse pull. The mule pull will follow immediately after, and the pony pull is scheduled for 2:00 p.m. that same

day. Also happening on Saturday, October 5, is the "Great Pumpkin Search," the fair's largest pumpkin contest.

"This will be the first time our state fair has ever had a largest pumpkin contest," said Commissioner Gipson. "I am so looking forward to seeing our great state's biggest and tastiest pumpkins contend for that cherished 1st place blue ribbon."

Whether you're a thrill seeker out to find the fastest carnival ride, an animal lover attending the petting zoo and livestock shows, or a fair foods connoisseur just there for the funnel cake, you do not want to miss out on the 160th Mississippi State Fair!

The Mississippi State Fair runs Wednesday, October 2, through Monday, October 14, with a gate admission price of \$5.00 per person. Children under the age of 6 are admitted free of charge. Enjoy free admission weekdays 11:00 a.m. until 1:00 p.m., with the exception of October 14. See pages 16-18 for daily fair schedule or visit www.MsStateFair.com.

Mississippi youth compete for top honors showcasing the best in livestock and agriculture. Come see the best in market and dairy cattle, goats, sheep, and swine shows at the 2019 Mississippi State Fair.

Welcome to The **2019 Mississippi State Fair**

Dear Fairgoer,

On behalf of the Mississippi Fair Commission and the Mississippi Department of Agriculture and Commerce, we are very excited about the opportunity to welcome you and your family once again to the 160th Mississippi State Fair! Attending the Fair is a Gipson family tradition, my family and I have attended every year since I was a boy, and now my wife Leslie and I have the joy of bringing our four children to the State Fair.

The Fair Commission is excited to offer an extra day of Fair fun this year! The State Fair will be extended so that children out of school on Monday, October 14 for the Columbus Day holiday can enjoy the Fair that day. During the 13 days of the Mississippi State Fair, the 105 acre fairgrounds is transformed into an exciting amusement park filled with the most delicious fair food, carnival rides,

games, shows and contests. Spectators and participants can find excitement in numerous livestock shows and musical entertainment for all ages from headliner artists. Brand new this year is the addition of "the coolest event at the fair," an indoor ice rink inside the Coliseum!

Make sure to come by one of the most popular stops on the Midway — the Biscuit Booth, for a warm, homemade biscuit compliments of the employees from the Mississippi Department of Agriculture and Commerce. I plan to be there every day from 5-7 p.m. to personally meet and welcome you to the Fair.

Make the most of your visit by following the schedule of events and activities in this book. For more information, including concert and event schedules, a map of the attractions, livestock show information, the parked car finder and more, download the Mississippi State Fair's free mobile app. Also, we would like for you to share your pictures and memories on social media outlets and tag the Mississippi State Fair in your posts on www.facebook.com/msstatefair/, Instagram @msstatefair and Twitter @msstatefair.

Thank you for letting the Mississippi State Fair be a part of your family tradition this year. We all owe a debt of gratitude to those who dedicate their time and talents in bringing the Fair to life. Have a great time at your Mississippi State Fair!

Sincerely,

my of

Andy Gipson Commissioner of Agriculture and Commerce Chairman of the Mississippi Fair Commission

Advertising Guidelines

The Mississippi Market Bulletin is published on the 1st and 15th of each month by the Mississippi Department of Agriculture and Commerce. The Mississippi Market Bulletin is an important way for the Department to disseminate news and information about issues affecting Mississippi's agriculture industry and the Department's operations.

Through its classified advertising section, the Bulletin provides a forum for Mississippi residents to buy and sell agricultural related items while also giving statewide exposure to small farmers who might not normally have the economic resources for such widespread advertising. The Bulletin does not publish commercial or display ads and all items offered for sale must have been produced, raised, grown or operated on the seller's property. Businesses, corporations, dealerships, brokers or other commercial enterprises are not allowed to advertise in the Mississippi Market Bulletin.

Advertising rules and guidelines have been established for the Mississippi Market Bulletin in order to comply with regulations enforced by the Mississippi Department of Agriculture and Commerce and to maintain the objectives of the publication. The staff of the Mississippi Market Bulletin reserves the right to edit, revise or reject any advertisement.

The Mississippi Market Bulletin assumes no responsibility for any notice appearing in the Bulletin nor for any transaction resulting from published notices. Advertisers are cautioned that it is against the law to misrepresent any product offered for sale in public notices or advertisements carried in any publication that is delivered by the United States Postal Service.

Mississippi FFA Association Sending 25 Teams to National Competition

By Gayle Fortenberry & Jill Wagner Agriculture Workforce Development -MDAC

Mississippi agricultural education students will be competing for national honors this fall at the 92nd National FFA Convention and Career Expo in Indianapolis, Indiana, the week of October 30-November 2, 2019.

The Mississippi FFA Association will send 25 teams and individuals to represent our state in the FFA's career development and leadership development events, competing against students from all 50 states, plus Puerto Rico and the Virgin Islands.

Career Development Events (CDEs) and Leadership Development Events (LDEs) are an outgrowth of instruction from the high school agricultural education classrooms. Participation in a CDE or LDE starts at the local school level where students begin to learn about the content area of the competition and develop skills such as problem solving, critical thinking, and teamwork and communication skills. After hours of instruction, practice, and preparation, local schools send the teams to State FFA Contest Day in early April to challenge their knowledge and expertise against similar teams from other schools. Once a team wins the first place honors, the real work begins preparing for national competition, a little over six months away.

CDE and LDE events are designed to meet the future needs of FFA members, while also intended to serve as a reflection of instruction

The score is based upon the accuracy of the grade and the participant's ability to give logical and knowledgeable reasoning for their grading choice. (Photo by Brice Fortinberry)

in the agricultural education classroom. Teams of students might compete in areas of Farm Business Management or Dairy Cattle Evaluation. Students may build a sales plan for an agricultural product in the Ag Sales CDE or discuss food safety issues in the Food Science and Technology CDE. Regardless of whether the students excel at forest measurement or conducting a meeting, the CDEs and LDEs are designed to help prepare FFA members for college and career readi-

There are 3,212 FFA members in 116 high school agricultural education programs in Mississippi's 145 public school districts. The National FFA Organization is a national youth organization of 669,989 student members as part of 8,573 local FFA chapters in all 50 states, Puerto Rico and the U.S. Virgin Islands. The organization is supported by 591,924 alumni members in 2,236 local FFA Alumni chapters throughout the U.S.

The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education. For more, visit the National FFA Organization online at FFA.org and on Facebook, Twitter, and official news pages of the National FFA Organization.
