The 56th Dixie National Livestock Show and Rodeo

By Hannah East
Marketing Specialist - MDAC

If the past year taught us anything, it certainly taught us to truly care for the things and people we take for granted every day.

However, throughout the challenges and changing times, agriculture never stopped. Businesses altered how they operate, daily tasks became virtual exchanges and whole cities locked down, yet agriculture never stopped.

Our farmers never stopped growing crops, our ranchers never stopped raising livestock and your Mississippi Department of Agriculture and Commerce (MDAC) never

stopped working for its citizens. Now, MDAC is looking toward the future with hopeful anticipation as we celebrate our steadfast agriculture community in one of the largest livestock events east of the Mississippi.

The 56th Dixie National Livestock Show and Rodeo is officially underway at the Mississippi State Fairgrounds. Events, such as the Open Livestock Exhibitions and Horse Shows, are the perfect outing that the whole family can enjoy.

"For well over 50 years now, the Dixie National Livestock Show and Rodeo has been a cherished tradition for competitors, families and spectators, not only from Mississippi, but across the nation," says Commissioner of Agriculture and Commerce Andy Gipson. "This year will include all the usual fan-favorites, such as the Dixie Queen pageant and the Junior Sale of Champions, as well as the first-ever Dixie National Expo in the new Trade Mart, which features numerous agricultural and

vendor booths, including MDAC's Genuine MS® store."

The Dixie National Junior Livestock Exhibitions kick off on Friday, February 5, when FFA and 4-H students from across the state compete for that coveted chance to show at the Junior Sale of Champions on Thursday, February 11. A complete schedule of events can be found on pages 12 and 13.

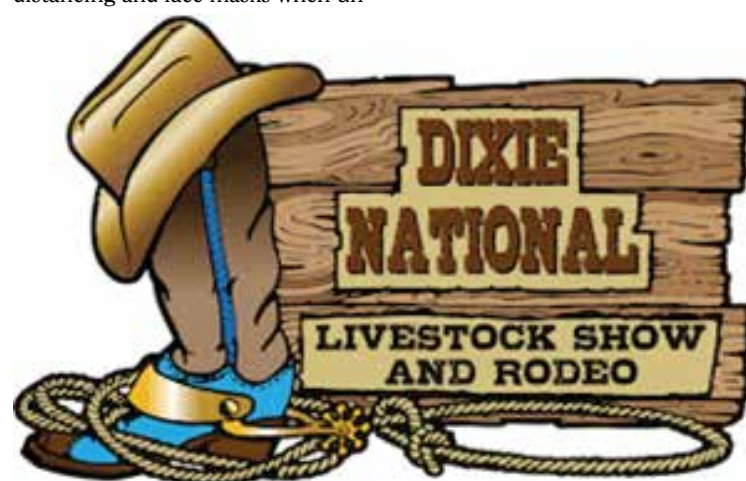

In addition to the horse shows, livestock exhibitions and agriculture expo, the annual Dixie National Rodeo begins Thursday, February 11, and runs through Wednesday, February 17. Each Rodeo, a combination of thrilling competitions and impressive feats of showmanship, will be followed by special entertainers. This year's concert lineup includes the Oak Ridge Boys Elvira40, Parker McCollum, Moe Bandy, John Conlee, Sawyer Brown, Justin Moore and Riley Green. Tickets for the Dixie National Rodeo can be purchased online at Ticketmaster.com or at the Mississippi Coliseum Box Office.

able to spread out. So come out and enjoy the Dixie National Rodeo, the greatest show on dirt!"

Other events include the Legislative Livestock Showdown, Equestrians with Disabilities Horse Show, Dixie National Afterparty, Antique Tractor Show and of course, the beloved Dixie National Parade. For 50 years, this procession of horse-drawn carriages, decorative floats, horse clubs, marching groups and more have entertained thousands of spectators and families. Per usual, the Dixie National Wagon Train, will finish out the parade caravan in the true, old-fashioned cowboy style of horses, mules and wagons.

This year's parade will be held on Saturday, February 13, at 10:30 a.m. and is themed 'Remembering Lecile' to honor the late Lecile Harris, professional rodeo clown and longtime entertainer of the Dixie National Rodeo. Spectators can find the best viewing on High and West Streets near the State Capitol.

Commissioner's Policy Corner

The Dixie National 2021!

By Andy Gipson
Mississippi Commissioner
of Agriculture and Commerce

This month we are again looking forward to hosting the Dixie National Livestock Show and Rodeo! 2021 marks the 56th Annual Dixie National, an event that has become one of Mississippi's and the South's premier agricultural and livestock events. Each February, cowboys, cowgirls, 4-H and FFA members, rodeo queens and spectators travel from around the world to the Mississippi State Fairgrounds to experience one of the largest livestock shows and the largest rodeo east of the Mississippi River.

The Dixie National Livestock Show and Rodeo is a "Genuine Mississippi" event that generates millions of dollars for Mississippi's economy each year. From the agricultural exposition and livestock shows to the renowned rodeo entertainment, this event continues to flourish as a tradition treasured by so many. This year, the Dixie National also stands as a reminder that even through the difficult days we have experienced during COVID-19, Mississippi's agriculture and livestock industry never stops. Our livestock families and rodeo fans look forward to this event, and this year we expect many more nationwide entries in our livestock open shows. This is an opportunity for the Dixie National to grow.

The Dixie National Junior

Round-Up and Open Livestock shows are the heartbeat of the Dixie National and provide Mississippi's youth and open show exhibitors the opportunity to compete on one of the biggest agricultural stages in the country. Last year, the Junior Livestock shows alone included more than 1,600 4-H and FFA members and more than 2,200 head of livestock. The pinnacle of the junior livestock show circuit in Mississippi is the annual Dixie National Junior Sale of Champions. Proceeds from this sale benefit participants in the form of scholarships and last year, over \$400,000 in scholarships were awarded to 31 students.

With this year's rodeo, things will be different as we will not be joined by long-time professional rodeo clown, Lecile Harris who

passed away after completing the last performance of the 2020 Dixie National. Lecile was a staple of the Dixie National for more than 40 years and will be honored during a portion of the Rodeo performances, as well as the Dixie National Parade on Saturday, February 13th. We will forever remember the joy Lecile brought us with his humor and easygoing candor. In his honor and to help with the current shortage of blood supplies, we are pleased to host the first Dixie National blood drive at the Farmers Market, the Saturday of the Parade.

We also understand that for many people, this year's rodeo will not be possible to attend due to the ongoing risk of COVID-19. We respect that decision. But I want you to know that we will have a safe and socially distant rodeo program.

**Andy Gipson
Commissioner**

To guard against transmission of COVID-19, we have adopted a Safe Rodeo Plan that implements several new procedures in accordance with Governor Reeves' Executive Orders, and as such tickets will be limited inside the Coliseum for the rodeo performances February 11th through 17th. At this time tickets are still available, so if you plan to attend I encourage you to go ahead and book your tickets now rather than wait the day of the show. If you can't attend, I certainly hope to see you next year!

We are truly grateful to our loyal sponsors who give us the support to provide first-rate entertainment and professional rodeo talent every year. It is inspiring to see how this event has grown over the years into the finest and largest rodeo east of the Mississippi River, and we are proud to continue that tradition this year. Again, welcome and enjoy being a part of the "Greatest Show on Dirt!"

WELCOME TO THE 2021 DIXIE NATIONAL LIVESTOCK SHOW & RODEO

Welcome to the 56th Annual Dixie National Livestock Show and Rodeo! Each February, cowboys, cowgirls, 4-H and FFA members, rodeo queens and spectators travel from around the world to the Mississippi State Fairgrounds to experience the largest rodeo east of the Mississippi River.

The Dixie National Livestock Show and Rodeo is a "Genuine Mississippi" event that generates millions of dollars for Mississippi's economy each year. From the agricultural exposition and livestock shows to the renowned rodeo entertainment, this event continues to flourish as a tradition treasured by so many.

The Dixie National Junior Round-Up and Open Livestock shows are the heartbeat of the Dixie National and provide Mississippi's youth and open show exhibitors the opportunity to compete on one of the biggest agricultural stages in the country. Last year, the Junior Livestock shows alone included more than 1,600 4-H and FFA members and more than 2,200 head of livestock. The pinnacle of the junior livestock show circuit in Mississippi is the annual Dixie National Junior Sale of Champions. Proceeds from this sale generated over \$400,000 for our youth with champion animals and this helped to fund 37 scholarships for Mississippi youth in the amount of \$58,500.

This year will be different as we will not be joined by long-time professional rodeo clown, Lecile Harris, who passed away after completing the last performance of the 2020 Dixie National. Lecile was a staple of the Dixie National for more than 40 years and will be honored during a portion of the Rodeo performance. We will forever remember the joy he brought us with his humor and easygoing candor.

We are truly grateful to our loyal sponsors who give us the support to provide first-rate entertainment and professional rodeo talent every year. It is inspiring to see how this event has grown over the years into the finest and largest rodeo east of the Mississippi River, and we are proud to continue that tradition this year. Again, welcome and enjoy being a part of the "Greatest Show on Dirt!"

OPERATION H.O.G.

Wild hogs cause more than \$66 million in property damage in Mississippi every year.

They are threatening our economy, farms, lifestyle, treasured places, and native wildlife.

Wild hogs are pests, not trophies. They carry disease, destroy farmland and trees, and eat the eggs and young of wildlife like quail, white-tailed deer, wild turkey, and even songbirds.

They don't belong here.

Wild hogs are non-native nuisance animals. In 1988, they were present in only 23 counties. Today, they are found in all 82.

If we all do our part, we can hold our ground against wild hogs. If you see wild hogs on your property, trap and kill them.

It is illegal to transport and release live wild hogs in Mississippi.

If you see anyone transporting or releasing live wild hogs, report it **immediately**. Call the number below.

Call 1-800-BE-SMART (1-800-237-6278)

24-hour hotline managed by Mississippi Department of Wildlife, Fisheries, & Parks.

WILD HOGS: How to Kill Them

1

Identify where the hog damage is.

2

Put up game/trail cameras in the damaged area.

5

Build a trap with the gate facing the hogs' trail.

4

Choose the right trap size and design.

3

Examine the photos to see where hogs are coming from and how many there are.

6

Bait the trap with corn or other feed.

7

Let the wild hogs feed inside the trap for a few days—until they feel comfortable consistently entering the trap.

8

Monitor the cameras to ensure all the hogs are inside the trap, and drop the trapdoor.

10

Continue to monitor for pig activity or damage in the area.

9

Use your .22- or larger-caliber rifle to euthanize the hogs humanely. Wear rubber or latex gloves when handling hogs.

Join us for The Upcoming MCA Annual Convention and Trade Show

By LeAnne L. Peters
Director of Communications
Mississippi Cattlemen's Association

On February 26-27, 2021, the Mississippi Cattlemen's Association (MCA) Annual Convention and Trade show will take place for the first time in Hattiesburg, MS in the Lake Terrace Convention Center just off of Highway 49. Cattlemen and women from around the state and beyond will gather for educational programs, policy discussion, and association business, to name just a few. Also, especially after a whirlwind year in 2020, this will be a great time to gather for safe fellowship with other fellow cattle producers.

"There has been much planning and consideration that has gone into planning and preparing for our annual MCA Convention and Trade Show this year," said Andy Berry, Executive Vice President of the Mississippi Cattlemen's Association. "This year's convention will be a lot of things, but it will most importantly be fun, educational and safe for our members and their families who would like to join."

During the two-day event, a policy session, great speakers, food, fun, fellowship, as well as recognition of the Mississippi Cattlemen's Foundation scholarship winners will be on the agenda. There is also an impressive lineup of numerous trade show exhibitors that are ready to display their latest wares.

"The vendors and exhibitors we have lined up for the trade show will be inside and outside of the Lake Terrace Convention Center building, which allows for plenty of open air and social distancing among attend-

ees," said Mike Murry, 2020 President of the Mississippi Cattlemen's Association. "We are expecting upwards of 40 vendors to be set up during the duration of the convention to present our members with outstanding information and a great time."

Another annual favorite during the convention each year is the annual Cattlemen's Roundup on Friday evening, where participants gather to enjoy a great meal before the auction that follows. Saturday, many of our state's finest junior cattlemen and women will gather for the annual scholarship banquet where over \$45,000 in scholarships will be awarded to youth who deserve and desire to further their education – with many of them planning to pursue fields within agriculture.

"The Mississippi Cattlemen's Association has implemented a lot of time and planning to ensure that you have a memorable time at the 2021 MCA Annual Convention and Trade Show," said Mike Murry. "Our mission and hope through this year's convention is to assist you in your farm/cattle venture through introducing new and innovative ways to cattle farm. Please take the time to come out, spend the day visiting the vendors, and see what they have to make your farm more efficient."

See you all in Hattiesburg on February 26-27! For more information call the MCA office at (601) 354-8951.
