## **Ag Commissioner Andy Gipson to Announce Promotional Partnership between MDAC and Mississippi State University**

**JACKSON, Miss.** – The media is invited to attend as Commissioner of Agriculture and Commerce Andy Gipson announces the promotional partnership between the Mississippi Department of Agriculture and Commerce (MDAC) and Mississippi State University on Monday, March 7, at 10:30 a.m. in the conference room of MDAC. Commissioner Gipson will be joined by Mississippi State University Chief Communications Officer and Director Sid Salter and Mississippi State University Director of Petroleum Products Scott Boone.

This partnership is part of the initiative to promote universities within the state through MDAC's Bureau of Regulatory Services inspection stickers. Each sticker representing the divisions within the Bureau of Regulatory Services will feature the school colors of the chosen university for one year. Mississippi State University, whose staple color maroon and gray accent color will be featured around the state, was selected as the second university to participate in the initiative. MDAC has enjoyed a long-standing, working relationship with Mississippi State University for years.
